

# *Missoula Catholic Schools*

## *Re-registration Night*

**When:** February 12th, 2010 5:00-9:00 PM (During Valentine Carnival)

**Where:** St. Joseph Elementary School - The classroom designated for re-registration will be clearly marked!

**Purpose:** This event provides all in one opportunity for our community to come together and re-register while attending an annual fundraising and family friendly event. In doing so, this allows the Missoula Catholic Schools leadership to prepare enrollment based budgets, make class-size projections, class-section decisions, and provide a forecast for faculty and staffing needs for the 2010-2011 academic year.

**Format:** Our MCS business and school office staff will open the door of the re-registration room at SJS at 5 PM. Please bring your re-registration forms, tuition payment forms, and deposit with you. All families must fill out all forms in order to verify we have current information and emergency contacts for every student. There will be tables indicating your location to turn in forms and make the re-registration deposit. Multiple office staff will be manning the tables to make this process as quick and efficient as possible so that you may enjoy the carnival.

\*The change in venue this year is intended to lessen the impact on our families and their time by taking advantage of the MCS community already attending one of our greatest fundraising events.

**Drawings:** With your attendance at the carnival and re-registration night, you are entered into several drawings which include two \$250 tuition waivers, MCS apparel, and other items.

**\*IF YOU ARE UNABLE TO ATTEND THIS EVENING, PLEASE HAVE YOUR RE-REGISTRATION PAPERWORK AND DEPOSIT TO THE TUITION OFFICE BEFORE FEBRUARY 12TH!**

*SEE YOU THERE!*
